Speaker Intro and Talk Summary

TITLE: 3 Secrets to Having a Simple Customer-On-Demand Generating System

SPECIAL GUEST: Kathleen Vallejos, Co-Author of *Clients on Facebook?* And Creator of the Business Success Blueprint.

Are you tired of constantly chasing after that next new customer? Join Kathleen Vallejos and discover how to create a constant flow of customers, reach the people who need and want to buy from you, and find out how other successful businesses do it!

In this action-packed session you'll learn:

- How to get found!
- How to build a customer-generating system.
- How to build a relationship with customers and have them come back for more.
- AND most important, how you can build your own customer-generation system.

BIG BENEFITS:

One of the biggest take-aways from this presentation is having a simple system in place to attract the right kind of customers ready to buy from you so

that you never have to worry about where your next customer is going to come from.

Once customers have found you and benefited from the products or services you offer, it is easier to get them to buy from you again. With regular contact repeat customers become part of your new on-demand system.

With established credibility it becomes simple for your repeat customers to become your advocate by referring others to your business giving you a chance to create some new loyal customers.
